

GREEN TEA WITH POMEGRANATE

Origin: Sri Lanka & China

Tea blend: Organic green tea

Flavour: Organic pomegranate and rose petals

Description: This fruity tea has a rose gold colour and subtle pomegranate and flowery smell. The sweetness in the fruit balance up the bitterness in the tea in a perfect way. This fruit also adds a punchiness to the green tea which makes it even more intense. A great fruity all around tea for multiple occasions.

Brewing method: For best results, brew for 2-3 minutes with freshly boiled water that has rested a few minutes before starting the brewing process (80 degrees Celsius). **Brews best in a 200ml tea cup.**

Extras: Works well just as it is but also very well suited as an iced tea. Brew, let it cool and serve over ice. Perfect on a hot summer day.
