

CHAI BLACK TEA

Origin: Sri Lanka

Tea blend: Organic Ceylon black tea, ginger, cinnamon, cloves, turmeric, cardamom, nutmeg, black pepper, mace

Flavour: Mix of oriental herbs and spices

Description: This blend has a delightful and strong flavour of oriental spices and herbs combined with a light brassy colour. A traditional chai blend packed with flavours and depth. The prominent cinnamon, cloves and cardamom give this tea zing to really spice things up. Definitely works very well together with some biscuits or a freshly baked sponge cake.

Brewing method: For best results, brew for 3-5 minutes with freshly boiled water. **Brews best in a 200ml tea cup.**

Extras: Serves very well with both sugar and milk but also works perfectly as it is.
