

## CHOCOLATE, ROOIBOS & VANILLA

**Origin:** Predominantly South Africa & Sri Lanka

**Tea blend:** Organic rooibos, cocoa nibs and vanilla pods

**Flavour:** Rooibos, cocoa nibs and vanilla.

**Description:** Shiny copper in colour with a sweet and smooth taste. This brew has power and is strong in flavour of cocoa & vanilla. The bitterness from the cocoa and the sweetness from the vanilla marries beautifully together. The addition of rooibos adds a subtle hint of acidity which works well with a slice of chocolate cake.

**Brewing method:** For best results, brew for 5 minutes with freshly boiled water. Brews best in a 200ml tea cup.

**Extras:** Can be served as it is or with a dash of milk and sugar.
