

## MATE, COCOA & COCONUT

**Origin:** Brazil, Sri Lanka & Spain

**Tea blend:** Organic herbal tea with yerba mate, cocoa, ginger, coconut, licorice

**Flavour:** Predominantly yerba mate, cocoa, and coconut

**Description:** Light golden in colour with an exotic herbal scent. The combination of the holly based mate with cocoa and coconut makes this tea both fruity and fragrant. Adding the licorice gives it structure and depth whilst the ginger gives it zing and subtle sweetness. A perfect accompaniment with spicy food or just enjoy alone.

**Brewing method:** For best results, brew for 3-5 minutes with freshly boiled water.

**Extras:** Can be served as it is or with a teaspoon of honey.
