

TURMERIC (CURCUMA), GINGER & LEMONGRASS

Origin: Predominantly Sri Lanka & Spain

Tea blend: Organic herbal tea with ginger, turmeric, lemongrass, licorice, cloves, lemon peel, cardamom, black pepper, cumin

Flavour: Predominantly ginger, lemongrass & spices

Description: With its surprisingly light golden colour you would have thought this was a lighter tea, but no, it has a spicy and powerful scent that's full of refined favours. The ginger, turmeric and lemongrass marries very well together with the spices such as cloves, cardamom, black pepper and cumin. Definitely some heat here! This blend is a perfect tea to spice up your day.

Brewing method: For best results, brew for 3-4 minutes with freshly boiled water. **Brews best in a 200ml tea cup.**

Extras: This tea manages very well on its own or with a teaspoon of light brown sugar.
