SENCHA GREEN TEA

Origin: Japan

Tea blend: Organic sencha green tea

Flavour: Unflavoured sencha green tea

Description: Mellow golden green in colour with a mild grassy scent. This is definitely a vegetal tea with nutty and buttery elements. The vegetal notes gives it an earthy and floral overtone. Low in sweetness with a little hint of citrus, this tea goes very well with Asian food.

Brewing method: For best results, brew for 2-3 minutes with freshly boiled water that has rested a few minutes before starting the brewing process (80 degrees Celsius). **Brews best in a 200ml tea cup.**

Extras: Try it without milk or with a thin slice of lemon, no sugar or milk recommended.
